

## Kirami Protective grate for Kirami feed-through

<b>WEIGHT:</b>	0.05 kg
<b>PRODUCT LENGTH:</b>	11 cm
<b>PRODUCT WIDTH:</b>	11 cm
<b>PRODUCT HEIGHT:</b>	2,3 cm

A protective grate made in Finland for Kirami feed-throughs. Protects the feed-through from large debris and prevents the insertion of fingers and toes, etc. into the feed-through hole. Includes a screw for attaching the grid to the feed-through frame.

Made of blue ABS plastic.
