6430036750145

Quality Finnish made neckrests. The fixed plastic-bodied model is lined with imitation leather, giving you a soft sensation for your neck and complete relaxation for your entire body under a starry sky. The neck rest is easy and quick to set on the tub wall before bathing. The neck rest also features a grommet in one corner, enabling you to hang it to dry and wait for the next bathing moment.

Elegant, black and high-quality neck rest for your hot tub. Made in Finland. The fixed plastic-bodied model is lined with imitation leather, giving you a soft sensation for your neck and complete relaxation for your entire body under a starry sky. The neck rest is easy and quick to set on the tub wall before bathing. The neck rest also features a grommet in one corner, enabling you to hang it to dry and wait for the next bathing moment.
