Kirami Chimney hats with sparknet

WEIGHT:	1.06 kg

6430036759148

Chimney caps with a spark arrestor mesh for Kirami chimneys.

Kirami heaters can be equipped with a range of chimneys made from acid-proof stainless steel, with a diameter of 120 or 150 mm. A chimney should always be topped with a suitable stainless steel chimney cap, which also helps eliminate sparks.

Our high-quality factory-made pipes are made out of acid-proof stainless steel. A chimney cap equipped with a spark arrestor mesh for 120 mm diameter chimneys used with SUB LT and CULT heaters. The spark arrestor mesh reduces the risk of sparks spreading to the surrounding environment. Please note that the fine mesh clogs easily, especially when using smoky firewood, as a result of which it must be cleaned regularly.
