Kirami’s wooden, 48-cm high Stepin steps conform to the contours of your hot tub, making them the ideal accessory for complementing and adding the finishing touch to your hot tub. Adding a set of steps also makes getting in and out of your hot tub safer. These light yet durable steps are delivered pre-assembled, making them easy to install.

The outer shell is made out of Finnish spruce panels stained with a dark coal tint, and it keeps its attractive appearance for a long time.
