639072434439

Kindling Cracker is world’s safest and very easy way to chop kindling. This is a great tool is for anyone who needs kindling for firing up a hot tub heater, outdoor fireplace, barbecue or a sauna heater. It’s a tasteful design product that is easy to use! If you like, you can attach Kindling Cracker to a suitable log.

Kindling Cracker is produced of one cast iron piece so even your offspring can use it if you use and maintain it according to the instructions. Normally brushing is enough for the maintenance and after years of usage you can also renew the paint if needed. The product started as Science Fair Project and it has won a several idea awards around the world.
