Durable and high-quality insulated covers for round hot tubs with dedicated versions for both external and internal heaters. A cover is especially useful accessory, with it you can speed up heating of your hot tub, keep the water hot for a longer time and optimize heating performance on the following day. The cover also protects your hot tub from debris and with a cover your hot tub remains clean when empty, and as well it protects inner parts of hot tub from UV-radiation. The cover improves safety especially for families with children and pets. The cover has been standardized (EN 17125) as a safety cover.

This durable insulated cover features an artificial leather finish and is compatible with the round M-sized(170cm) hot tubs which have external heater. The cover can also be folded in half and features built-in handles on sides, making it easy to lift and handle. Locking mechanism includes four buckled straps with safety locks which are included with the cover.
