

Kirami Premium Woody Tiny

Micu Red Cedar

Woody Tiny offers the authentic feel of wood in a compact size. It is our smallest solid-wood hot tub, ideal for both cute little gardens and patios. The hot tub's size and upgraded shape make Woody Tiny the optimum option for couples and settings where water consumption must be kept to a minimum. Thanks to the short heating time and small water volume, you can have a relaxing dip even on an otherwise busy evening. Woody Tiny offers everything you need for a great, wood-heated hot tub experience.

The new hot tub model was introduced in early March 2022.
