Kirami Coolers

WEIGHT:	0.015 kg

An ice-cold drink and a hot tub equals a first-class combination. However, holding a cold drink makes your hand cold, preventing complete relaxation. To solve this problem, we developed the Kirami Cooler to make your bathing moment as relaxing as can be. The stylish Kirami Coolers make even the coldest of cans feel nice in your hand. Compatible with normal, European cans with a diameter of approx. 66 mm (0.33 l & 0.5 l). Made of neoprene.

Lime green Kirami Cooler.
