Kirami Ball valve kit for Kirami hot tub

WEIGHT:	0.84 kg

6430036755690

Kit that can replace Kirami drain valve with traditional ball valve. The kit is suitable for Karami's plastic hot tubs.

Fits Kirami's plastic hot tubs manufactured from the beginning of spring 2014.

The kit consists of three parts that are connected to the 2 ½ inch inside thread in a Kirami hot tub instead of the original Kirami drain valve. The hose connector in the kit can be used with the same kind of 38mm inside measured hose as the normal valve.
