The robust frying pan with detachable center grille is compatible with the following grills: the Iron Monster grill and the Roasty Boss grill, as well as the Roasty Boss pot.The Iron Monster frying plate is an extremely versatile cooking implement that works like an old-style stove and pan. Made of sturdy rolled steel, the frying plate is designed to be placed on top of a fireplace. The best solution is to combine it with a Roasty Boss pot. The grill in the middle of the Iron Monster can be detached easily, which allows you to poke the fire conveniently through the hole. In addition to cooking, the Iron Monster can be used as a fireplace to create the perfect mood. Diameter 86 cm, weight 76 kg.
